Scholarships are subject to change annually.

Special Project Grant

Special Project Grants are grants dedicated to innovative, special projects that are outside the regularly funded foundation activities but meet the goals and mission of the AVAHO Foundation. These grants, and the amounts allocated, are at the discretion of the Foundation board.

Grants are available to AVAHO members in good standing (active for a minimum of one year of membership). Before applying, please contact Julie Lawson at julie@avaho.org to discuss your project idea.

Recipients must be an active employee of with the VA Healthcare System (fractional employment is acceptable).
